## TESTIMONIAL

"Having my photo incorporated within the sticker on my Endurosign open signs looks so professional, especially when compared to other agents using stick on photos.

The public put name to the face and this has helped me with my sales. I would not hesitate to recommend Endurosigns to any agent.

You will be impressed by the look of the sign and its ease of use.

They are light weight but surprisingly stable in the weather.

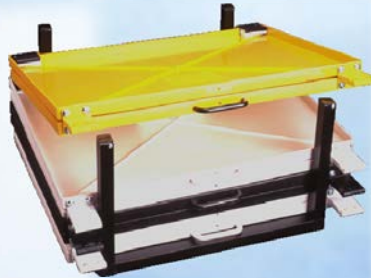

The Real Estate Institute of Queensland are excellent to deal with fast, efficient, professional with a friendly service."
